General

The Thomas Coram Centre and Nursery School has adopted a strict no debt policy relating to nursery fees and school meals service, as it has incurred significant debts relating to the non-payment of dinner money and nursery fees in the past.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents/carers. We are sure that every parent/carer will agree that this is unacceptable and we request that all parents/carers give this policy their full support.

Early Years Provision

We offer:

- Parent funded places for a minimum of 15 hours per week for term time or up to 46 weeks per year (£8.50/£10 per hour - see Appendix 1).
- The entitlement to the government funded 15 hours early years education for eligible 2 year olds. (free entitlement scheme for low-income/non-working families).
- The entitlement to the government funded 30 hours early years education for eligible 2 year olds for working parents. (HMRC).
- Toddler children who attend for 2 or 3 days can use the above grants towards breakfast and tea sessions.
- The entitlement to the universal government funded 15 hours of early years education for all 3 and 4 year olds.
- One additional hour each day to cover the lunch session in Kinder (12.30-1.30)- a small additional charge may apply.
- The free additional 15 hours early years education for 3 and 4 year olds. (This is either via Camden or Government funded schemes).
- One additional hour (breakfast session 8.30-9.30am) and up to two additional hours (tea session 3.30-5.30pm), Monday to Friday. These should be booked as a minimum on a termly basis.
- Ad hoc breakfast and tea sessions can be requested and when available will be charged at £10 per hour.

The provision of quality nursery places for 2, 3 and 4 year olds will:

- Help enhance children's wellbeing and achievements promoting early education and secure foundations for future learning and life.
- Help parents to return to work, education and training.

Policy Aims

- Ensure our charges are fair and affordable.
- Review all charges regularly.
- All parents/carers will be given notice of increased charges by the summer term to be effective from the new academic year.
- The primary objective of any monetary increase is to sustain the nursery.
- Be aware of, and remain competitive with, the charges made by other nursery providers.
- The Government's free entitlement, which covers 15 or 30 hours per week, over a minimum of 38 weeks, will be maintained and encouraged by the nursery at all times.
- Ensure that the childcare we offer is flexible and meets the needs of working parents whilst maintaining a quality provision, which primarily considers the needs of our young children.
- Ensure parents can easily identify on their invoices what the charges are and when they need to be paid.
- The nursery will issue invoices requesting payment and the onus will be on the parent to pay on time.
- All late payments (fees or Lunch) may incur a monthly interest/admin charge of £10 per month and for every subsequent month thereafter.
- Unpaid Fee and/or lunch accounts may be passed onto a debt collection agency.

Childcare charges

- Extra childcare provision is available for up to six additional weeks across the year and is subject to availability. These weeks may also be referred to as 'holiday weeks' as they always fall within Camden's designated school holiday timetable.
- An additional wraparound childcare provision is available from 8.30-9.30a.m. and 3.30-5.30p.m, five days a week. The provision is available for up to 46 weeks per year and is subject to availability.
- Parents are not obliged to purchase additional hours in order to secure any government funded hours.
- No charge can be made for the Early Years Foundation Stage (EYFS) funded education place of 15 hours per week, but parents/carers can purchase additional provision where available.
- If a place is offered, a contract will be issued. This will contain an acceptance form which must be signed and returned as soon as possible.

Billing and Management of Fees

A four week non-refundable deposit will be required in advance and 50% will be offset against the first term invoice and the remainder will be held until the final term. Fees for the term should be paid monthly in advance, on or before the 5th calendar day of each month, via bank transfer.

The bank details for the nursery are as follows:

NatWest

L.B Camden - Thomas Coram Centre

Sort code: 60-80-07 Account number: 79418066

Parents/carers must use their child's name as the payment reference, to ensure that funds are allocated to the correct child.

Fees will be billed at the start of each term for the term in question and all accounts must be settled by the end of that term. Please speak to the School Business Manager or Head teacher if you are experiencing financial difficulties and we may be able to agree a repayment plan.

Termly fees will be calculated based on parents declaring their hourly preferences prior to the commencement of each term and we reserve the right to refuse any further changes till the following term.

To guarantee a holiday placement, parents must inform us at the start of each term and all fees will be calculated accordingly and under these circumstances no refunds are available for non-attendance.

Holiday places are limited, subject to availability we may be able to facilitate holiday requests on an ad-hoc basis. Once agreed, fees will be collected in advance and no refunds are issued for non-attendance.

Parents/carers will not be charged for the first week of their child's place at the nursery. This is usually referred to as the 'settling period'. Beyond the first week, charges will be applied in full. The 'settling period' can only be offered once.

A minimum of four weeks' payment notice is required in writing to change contract or leave the nursery. The four week' payment notice is considered to be four chargeable weeks within term time. School holidays do not count towards the notice period. In addition to the mandatory four week notice period, if a child wishes to leave the nursery in the final half-term of the academic year (between May half-term and the summer break) then the minimum notice period will be the remainder of term OR four weeks, whichever is greater.

i.e. - if notification is received by the school on 8th June 2024 then the notice period would run until 24th July 2024, the final day of the academic year. This would result in a notice period of 6 weeks.

In all instances fees are due for the notice period required.

A child could be excluded for non-payment of fees if a parent has been requested but has failed to communicate with the nursery regarding payment.

Annual Review of Charges

Governors will review charges on an annual basis and usually do this in the spring or summer term. Wherever possible changes to the charges will come into effect in the following September of that year. However, the school reserves the right to amend or increase fees any time this becomes necessary. At least one term's notice will be given to families of any change in fees.

Funding for 2 year olds

Eligible parents have the option of applying for the government education and childcare for 2 year old via the following link:

- <https://www.gov.uk/apply-free-childcare-if-youre-working>
- <https://www.gov.uk/help-with-childcare-costs/free-childcare-2-year-olds-claim-benefits>

Funding for 3 and 4 year olds

All three year olds are eligible for 15 hours (per week) Universal Funding provided by the Government. This funding is available to the nursery the term following the child's third birthday.

In addition to this, parents/carers should apply for a further 15 hours funding from HMRC via the following link: <https://www.gov.uk/help-with-childcare-costs> . Here you will find the eligibility clearly outlined and an online application form which you should complete. HMRC will provide parents/carers with an 11 digit code starting with '500' if their claim is successful, which they must then forward to the office, if they are eligible.

You will receive reminders from HMRC to renew this code every three months. Please bear in mind that if this code expires, we can no longer receive government funding and you will be liable for the fee.

If the HMRC application is not successful, parents/carers should apply for the Camden Enhanced Offer (CEO) via the following link: <https://forms.camden.gov.uk/cus/servlet/ep.app?ut=X&type=84839644467&auth=204>. Here they will find the eligibility clearly outlined and an online application form which they should complete. This is only available to Camden residents. Parents/carers should forward your confirmation to the office, if they are eligible.

Parents/carers should speak to the Head teacher or School Business Manager for more information.

School Meals

- If a parent/carer believes that their child qualifies for entitlement to Free School meals (FSM) they should apply via the Camden website here: <https://accountforms.camden.gov.uk/freeschoolmeals/> and notify the school office if their application is accepted.
- The government funded universal offer of 15 hour's early education per week is only applicable to 09:30 to 12:30 Monday to Friday.
- The 15 or 30 government funded hours must be able to be accessed free of charge to parents however government funding is not intended to cover the costs of meals. We therefore ask families who are not entitled to Free School meals to pay £2.50 per day for your child's meal.
- If a child has an authorised absence e.g. illness they will not be charged for a meal. Any overpayment will be settled at the end of the academic year.

This fee band should be used to calculate fees for any unfunded hours:

- all extended-day childcare hours
- any holiday or 'all-year round' hours

Evidence of income will be required for Band 1 applications.

Band 1 Total household income under £65,000 per year
