2 YEAR OLDS (TODDLERS) - APPLICATION FORM

Child's family name:	Child's first name:
Date of Birth:	Gender:
Address:	Postcode:

	Parent/Carer 1	Parent/Carer 2
Name		
Daytime telephone number		
Email address		

There are three main options for funding a 2 year old place at the nursery:

- Eligible parents have the option of applying for the government education and childcare funding for 2 year olds.
 - <https://www.gov.uk/apply-free-childcare-if-youre-working>
 - <https://www.gov.uk/help-with-childcare-costs/free-childcare-2-year-olds-claim-benefits>
- Successfully applying for the Camden 2 year old scheme (15 funded hours per week).
- Paying the fees yourself (tariff attached).

You may also pay for additional hours by topping up your government funding or Camden funded hours. If you wish to do this please specify details in the 'Additional hour/day requests' box provided.

- Please note, active codes need to be renewed every three months.
- New codes must be applied for, the term before your child starts (before 31st August, 31st January, 31st December).
- Codes applied for *during* the term your child starts cannot be used until the following term and standard charges will apply for the current term.

Please specify your preferences in **one** of the tables on the following page:

Thomas Coram Centre and Nursery School - Fees Tariff 2026/2027

*The Core day for all children is from 9:30am-3:30pm.

Toddler (2 year olds) Income based Fees Tariff - Term time

Hourly Rate	Daily Fee (Core day* - 6 hrs)	Daily Fee (Extended day- 9hrs)
£10.00	£60.00	£90.00

The government funded hours must be able to be accessed free of charge to parents however government funding is not intended to cover the costs of meals. We therefore ask families who are not entitled to Free School meals to pay £2.50 per day for your child's meal on top of fees.

Holiday weeks (Half-term/Easter/Summer) Tariff

If you would like your child to attend during our additional 'holiday' weeks during the half-term, Easter and summer breaks, the cost will be £10.00 per hour. This includes the cost of lunch and all activities.

Please note, Government funding is for term- time only.

Breakfast and Tea Tariff

Ad hoc sessions, breakfast and tea can be requested and when available will be charged at £10 per hour.

Thomas Coram Centre and Nursery School

Getting Ready for Nursery School

Starting nursery school is an important and exciting time for you and your child. Here are some hints and tips which you will hopefully find helpful.

Before your child starts - support them with developing their practical skills!

Encourage your child to start dress/undress themselves

Encourage your child to feed themselves using a knife and fork and broaden the range of foods they eat. By two years old, children can drink from cups and do not usually need a feeder cup.

Take every opportunity to talk with your child and listen to their answers, this is a really important activity and builds language skills and social skills.

The [NHS](#) suggests children stop using a dummy completely by 12 months- to help children with their speech development. If you are weaning your child off their dummy, restrict it to short periods of time when they are relaxing. Always ensure your child removes their dummy when they are talking. We do not have dummies in nursery.

Playing games, doing role play or dress up can help to get them ready for school and build their confidence and skills.

Read as often as possible with your child. Let your child hold the book and turn the pages as you read the story. Children often ask for the same story over and over again. This should be encouraged, as it shows an interest in reading, and will assist in developing the language of writing, value your child's choice and encourages decision making.

Sing nursery rhymes and songs that children like that have repetition in them as these will help them to remember new words.

Practise the school morning routine, including getting dressed and eating breakfast in time to leave. Encourage your child to walk some of the way and talk as you walk. Reduce the amount of time you spend on your mobile phone as you journey to and from nursery school so that you can chat and encourage your child to enjoy the day ahead.

Always arrive on time so that your child feels happy and relaxed about their fun day ahead of them.

Children starting in toddlers are not expected to be toilet trained. By three years old 95% of children are toilet trained (NHS advice).

Don't worry, children have varied abilities when they start nursery school and we will work with you to help them progress at their own level. They don't need to be able to read, write or do sums before they start.

If your child has any additional needs link with our SENCO before they start. Contact our office team and they will put you in touch with Jan or Kate.

On your child's first day

We aim to make the move from home to nursery a gradual process. This is important for your child to get to know and trust new adults and children, and for you to see how the nursery works. On your first day, we ask you both to stay for just a short while to help your child become familiar with their key person and see where they can play and learn.

Please feel free to take your child around the rooms and garden. Your key person will let you take the lead. It is important that your child can see you are relaxed and happy to be here. It is important to have fun together, so please settle in and read to them, sing songs, play together, and talk about anything and everything. If your child sees that you trust us, then they will too!

When it is time for you to leave your child

We understand that separation can be a difficult and emotional time. We will help your child to know what they can do to help regulate their emotions and make themselves feel better. This might be taking deep breaths, looking at their transition object, or repeating a supportive mantra like, "I will come back". We always encourage you to say goodbye before you leave.

We are looking forward to working with you and your child to make the time at Thomas Coram happy and rewarding. Please don't hesitate to ask us about any questions you may have, however small they may seem. Please also visit our website for more information - <https://www.thomascoram.camden.sch.uk>
