

Christmas is coming to Coram!!

Coram have kindly invited us to join their courtyard celebrations this year. The courtyard is promising to look spectacular with each group having a tree to decorate which will bring all the different entities who benefit from Coram together to celebrate Christmas. We will be decorating our tree with the children next week.

If you bring a buggy, please place your **buggy under the white gazebo** until the end of term. Do **not leave your buggy** under the walkway as there is not sufficient space while we have the Christmas trees.

Scooters can be left under the gazebo too or they can be left neatly in their usual place **close** to the nursery front door.

Please store your buggy here. Thank you

Many thanks for your cooperation.
