Parent Guidance Notes

Note 1:

Working Parents - Free Early Education for 3 and 4 year olds Extended Entitlement - 30 hours

An additional 15 hours of free early education, on top of the universal entitlement, is available for working parents who meet the eligibility criteria. It offers a total of 1140 hours a year whilst the parents continue to be eligible for the universal and extended entitlement

Parents of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

- They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.
- This equates to £120 a week (or c.£6,000 a year) for each parent over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent between 21 and 24 years old and £56 a week for apprentices in their first year.
- This applies whether you are in paid employment, self-employed or on zero hours contract.
- Where one or both parents are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.
- Where one parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.
- Where a parent is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
- If one or both parents is a non-EEA national, the parent applying must have recourse to public funds

A parent will not meet the criteria when:

- Either parent has an income of more than £100,000
- If one or both parents is a non-EEA national and the parent applying does not have recourse to public funds

Parents will need to make a claim for the Extended Entitlement through the digital childcare service. There is guidance for parents via Childcare Choices at:

<https://www.childcarechoices.gov.uk>

or the Childcare Calculator at:

<https://www.gov.uk/childcare-calculator>.

Note 2:
