## **General**

The Thomas Coram Centre and Nursery School has adopted a strict no debt policy relating to nursery fees and school meals service, as it has incurred significant debts relating to the non-payment of dinner money and nursery fees in the past.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents/carers. We are sure that every parent/carer will agree that this is unacceptable and we request that all parents/carers give this policy their full support.

## **Early Years Provision**

We support the entitlement to free 15 hours early years provision for eligible 2 year olds.

We support the entitlement to free 15 hours early years provision for all 3 and 4 year olds and to free 30 hours early years provision for 3 and 4 year olds who are eligible for either the Camden or Government funded schemes.

We provide wrap around day-care for pupils attending Thomas Coram Centre and Nursery School and this is chargeable in line with Appendix 1 of this policy.

The opportunity of on-site wraparound care will help enhance children's wellbeing and achievements promoting secure foundations for future learning and life.

The provision of quality nursery places for 2, 3 and 4 year olds will help parents to return to work, education and training. This will in turn support families in reducing the impact of poverty.

## **Policy Aims**

- Ensure our charges are fair and affordable.
- Review all charges regularly.
- All parents/carers will be given notice of increased charges in the term prior to its effective date.
- The primary objective of any monetary increase is to sustain the nursery.
- Be aware of, and remain competitive with, the charges made by other nursery providers.
- The Government's free entitlement, which covers 15 or 30 hours per week, over a minimum of 38 weeks, will be maintained and encouraged by the nursery at all times.
- Ensure that the childcare we offer is flexible and meets the needs of working parents whilst maintaining a quality provision, which primarily considers the needs of our young children.

- Ensure parents can easily identify on their invoices what the charges are and when they need to be paid.

### **Childcare charges**

- Extra childcare provision is available for up to six additional weeks across the year and is subject to availability. These weeks may also be referred to as 'holiday weeks' as they always fall within Camden's designated school holiday timetable.
- An additional wraparound childcare provision is available from 8.30-9.30a.m. and 3.30-5.30p.m, five days a week. The provision is available for up to 44 weeks per year and is subject to availability.
- Parents are not obliged to purchase additional hours or pay lunchtime charges in order to secure any free provision.
- No charge can be made for the Early Years Foundation Stage (EYFS) funded education place of 15 hours per week, but parents/carers can purchase additional childcare provision where available.
- If a place is offered, a Contract will be issued. This will contain an acceptance form which must be signed and returned as soon as possible.

### **Billing and Management of Fees**

A four week non-refundable deposit will be required in advance and will be offset against the final payment when the child leaves the nursery. Fees for the term should be paid monthly in advance, preferably on or close to the 5<sup>th</sup> calendar day of each month, via bank transfer.

The bank details for the nursery are as follows:

NatWest  
Thomas Coram Centre  
Sort code: 60-80-07  
Account number:79418066

Parents/carers must use their child's name as the payment reference, to ensure that funds are allocated to the correct child.

Fees will be billed at the start of a child's first term at the nursery and will be based on their proposed attendance pattern. Parents and carers will only receive subsequent invoices in an academic year if they request them or a child's attendance pattern is changed.

Full settlement of the fees prior to the end of each academic year is mandatory and a minimum of four weeks' payment notice is required in writing to change contract or leave the nursery.

In addition to the mandatory four week notice period, if a child wishes to leave the nursery in the final half-term of the academic year (between May half-term and the summer break) then the minimum notice period will be the remainder of term OR four weeks, whichever is greater. i.e - if notification is received by the school on 8th June 2023 then the notice period would run until 21<sup>st</sup> July 2023, the final day of the academic year. This would result in a notice period of 6 weeks.

In all instances fees are due for the notice period required.

A child could be excluded for non-payment of fees if a parent has been requested but has failed to communicate with the nursery regarding payment.

### **Funding for 3 and 4 year olds**

All three year olds are eligible for 15 hours (per week) Universal Funding provided by the Government. This funding is available to the nursery the term following the child's third birthday.

In addition to this, parents/carers should apply for a further 15 hours funding from HMRC via the following link: <https://www.gov.uk/help-with-childcare-costs> . Here they will find the eligibility clearly outlined and an online application form which they should complete. HMRC will provide parents/carers with an 11 digit code starting with '500' if their claim is successful, which they must then forward to the office, if they are eligible.

If the HMRC application is not successful, parents/carers should apply for the Camden Enhanced Offer (CEO) via the following link: <https://forms.camden.gov.uk/cus/servlet/ep.app?ut=X&type=84839644467&auth=204>. Here they will find the eligibility clearly outlined and an online application form which they should complete. This is only available to Camden residents. Parents/carers should forward your confirmation to the office, if they are eligible.

Parents/carers should speak to the Head teacher or School Business Manager for more information.

### **School Meals**

- If a parent/carer believes that their child qualifies for entitlement to Free School meals (FSM) they should apply via the Camden website here: <https://accountforms.camden.gov.uk/freeschoolmeals/> and notify the school office if their application is accepted.

- If a child is not eligible for Free School Meals, parents/carers must pay for a school lunch after their child has turned three years old. The cost per day for a lunch is £2.40, which equates to £12 per week. As an example, if there are 60 school days in a term then the lunch money total cost based on 100% attendance would be  $60 \times £2.40 = £144.00$  per child.
- If a child is absent they will not be charged for meals. It is the parent/carer's responsibility to subtract £2.40 for every day that their child is absent before making their payments. For example, if they only attends 4 days in a particular week they would only need to pay £9.60.
- We ask parent/carer's to set up a weekly or monthly standing order using the name of their child as the reference, so they can be certain that they are regularly paying for their child's lunches.
- The bank details for lunch payments to nursery are the same as above.

## Equality

At the Thomas Coram Centre we believe it is the right of all pupils, regardless of their gender, ethnicity, physical ability or linguistic, cultural or home background to have access to high quality learning experiences in a stimulating and supportive environment.

We will always welcome and celebrate diversity and challenge any form of stereotype or prejudice. We believe that it is the right of parents, carers and children to be included in all aspects of school life, have access to school information and participate in all activities.
