NEWSLETTER

Dear Parents and Carers,

As many of you already know, **CHLOE** is going on **MATERNITY LEAVE** on Friday 18th November. Her key group children and families are invited to a small party on Thursday 17th at 2.45pm.

We knew replacing Chloe, albeit on a temporary basis was going to be a tough nut to crack! We feel very lucky to have found **SOFIA** who is an experienced practitioner, having worked with nursery and reception aged children. Sofia will be coming here from Wednesday 16th November so that each of Chloe's key families can meet her and Chloe and Sofia will ensure they have a good handover before Chloe leaves.

I am sure you join me in sending Chloe and her baby lots of love and the very best of wishes.

We have only 5 or so weeks left before the end of the year. We won't start celebrating **CHRISTMAS** until next month but I wanted to share a few of important Christmas dates with you in advance.

The **NATIVITY** will be on Tuesday 13th December at 2.15pm. Everyone is very warmly welcomed to this lovely event.

The **CHRISTMAS PARTIES** will be on Wednesday 14th December at 2.15pm. All the Kinder children who are not normally here in the afternoons are invited to stay all day. Toddler children who are not normally here on a Wednesday are invited to return with a parent or carer for the party. We will be circulating party food lists nearer the time.

We break up for the **CHRISTMAS HOLIDAYS** on Thursday 15th December (our last day) and we re-open on Wednesday 4th January 2023

We are planning on having lots of fun at nursery school on

Friday 18th November!

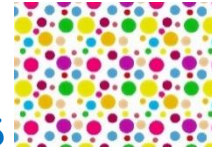

We are asking everyone to kindly donate £1.00

We are inviting the children to come to nursery school dressed

in **PYJAMAS**

or wearing **SPOTS**

Or, of course as **PUDSEY BEAR**.....

We have **140** children and staff members in our school and so we hope to be sending at least **£140** to this very worthwhile charity event.

BBC Children in Need provide grants to projects in the UK which focus on children and young people who are disadvantaged. They support small and large organisations which empower children and extend their life choices.

BBC Children in Need are currently supporting over 3,000 local charities and projects in communities across the UK. The projects help children facing a range of disadvantages for example poverty and deprivation; children who have been the victims of abuse or neglect or disabled young people.

*With Best Wishes
